The Coalition for the Advocacy, Prevention, and Elimination of Older Adult Abuse (CAPE) is a collaborative effort of citizens, agencies, organizations, and businesses in Greater Bridgeport, who are concerned about the safety of older adults. The group aims to prevent abuse and help victims through advocacy, awareness, and professional training and support. The group was started with an initial grant from the National Center for the Prevention of Elder Abuse in 2008 and spearheaded by The Center for Elder Abuse Prevention of The Jewish Home for the Elderly, and The Southwestern Connecticut Area Agency on Aging. For assistance please call 203-396-1097.
